I'm wound tight
Hot-wired
About to explode
I'm seein' red
All hopped up
And ready to go
I'm hurtin' and I'm searchin' for a place
Where I can deliver
I wanna scoot so fast that my head snaps
Back together
It's OK, not OK, it's OK, not OK, it's ok
It's OK, not OK, it's OK, not OK, it's ok
Go monkey go
Mojo JoJo
Go monkey go
Mojo JoJo
Go Monkey go
Mojo JoJo
Tell me tell me where to go
Tell me tell me where to go
There's nothing I can do
To fix what's wrong with me!
