Itchy, itchy goo
Got me thinking of you
Itchy goo, itchy goo
Oh, baby, I love you
Itchy goo, itchy goo, itchy goo goo goo
It's all I wanna do, whammo
Itchy, itchy goo
There's a pile next to you
Itchy goo, itchy goo
And it's turnin blue
Itchy goo, itchy goo, itchy goo goo goo
It's all I wanna do, whammo
You got me running in circles
Like a pee-pee baby
I'm so happy I just wanna die
Cause this baby love
It comes from up above
Move on over
I wanna get closer
Move on over
Wanna twaddle with you
Move on over
Satisfy my urges
Please, please help
I got the goo, goo itch
You got me running in circles
Like a big-big baby
