Peek-a-boo!
I can see you
And i know what you do
So put your hands on your face
And cover up your eyes
Don't look until i signal

Peek-a-boo! peek-a-boo! peek-a-boo!

The way that we weren't is what we'll become
So please pay attention while i show you some
Of what's about to happen

Peek-a-boo!
I know what you do
Cause i do it too

Laugh if you want to or say you don't care
If you cannot see it you think it's not there
It doesn't work that way
