"Red Eye"

Let me tell you a story
Let me shovel some dirt
Long time, no sugar
And it s starting to hurt

* * Something's flattened my cola
Something's wrong with my brew
Something's rotten in Idaho
And I don't know what to do

* Gone, gone, gone
With the red eye distress
Gona, gone, gone
On the Red Express

(* Repeat 3 times)

Only go around once
Gotta quench that thirst
Gotta grab that gusto
Gotta get there first

(** Repeat)

(* Repeat 8 times)

Red Eye Express (Repeat)
