Super cop (12 times)

I was born to serve justice  
But I don't sermonize  
Good is good  
Bad is bad  
And I never compromise

They lock me in a rocket  
Made of flesh and bone  
I'll meet you in the war zone  
With my fists of stone

I'm a super cop  
I'm a super cop

My body's a machine  
Made to synchronize  
Every time I'm called to action  
Make me recognize  
When the forces of corruption  
Do the tyrannize  
Then I shift to overdrive  
And start to pulverize

I'm a super cop

Eliminate the foe  
With karate chops  
I'm a super cop  
I'm a super charged cop  
And I can't be stopped.

I'm a super cop

I was born to serve justice  
Get my name  
I'm a super cop

Kung fu action is my game  
I'm a cop now

A super cop now

He drives around in a world turned upside down  
I'm a cop now  
A super cop now

He's gotta round up all the evil clowns  
I'm a cop now  
A super cop now

What he sees just makes him want to cry  
I'm a cop now  
A super cop now

He works alone 'cause if he don't he'll die

(spoken) the truth and protect  
The motto I ascribe to  
With equal justice  
For the down and out or well to do  
I'm a super cop  
A gangster's worst nightmare  
One man demolition team  
I'll send them into disrepair

He's been fighting,  
Fighting for so long

I'm a super cop

He's been righting,  
Righting every wrong

I'm a super cop

Now he's hiding  
From the long arm of the law

I'm a cop now  
A super cop now  
He gets up and tries to save the world

I'm a cop now  
A super cop now  
He goes out and tries to find a girl

I'm a cop now  
A super cop now  
If you're a punk he'll aim straight for your belt

I'm a cop now

A super cop now  
He makes the news every time he kicks some butt
