Vigor vim vitality and punch  
The ability to act on a sudden hunch  
Nerve to tackle the hardest thing  
Feet that climb and hands that cling  
A heart that never forgets to sing  
That's pep (3 times)

Sand and grit in a concrete base  
A friendly smile on an honest face  
A spirit that helps when another's down  
Knows how to scatter the blackest frown  
Love's it's neighbor love's it's town  
That's pep (4 times)

Say "i will" for you know you can  
Look for the best in every man  
Meet each thundering knockout blow  
Come back with a smile 'cause you know  
You get the best of the whole damn show  
That's pep (6 times)  
You know that's pep
