It's okay to be afraid  
Lose yourself in the waves of regret  
Passing over not just yet  
You are safe in the arms that won't forget

And I look in your eyes and I feel no surprise  
When you tell me now you have to go away  
You know years could go by  
Empty days, sleepless nights  
And I look in your eyes and I feel no surprise  
When you tell me now you have to go away  
You know years could go by  
Empty days, sleepless nights

Years, years, years
