One, two, three, start

Be stiff, b-abies be stiff  
Fruit ooze is wetly lewd  
Stay dry in rubber boots and

Be stiff, b-abies be stiff  
Cucumbers ripe and rude  
Bend over fixed to shoot and

Be stiff, b-abies be stiff  
Breath hard in metal suits  
Live right make lots of loot  
Be stiff

Be stiff, b-abies be stiff  
Wet women waste your food  
Go solo no no two's and

Be stiff, b-abies be stiff  
Watch out for fruits and mutes and  
Deep sleepers jerk the root

So be stiff, b-abies be stiff  
Breath hard in metal suits  
Live right make lots of loot and  
Oh be stiff

Be stiff, b-abies be stiff  
Fruit ooze is wetly lewd  
Stay dry in rubber boots and

Be stiff, b-abies be stiff  
Wet women waste your food  
Go solo no no two's and

Be stiff, b-abies be stiff  
Breath hard in metal suits  
Live right make lots of loot and  
Oh be stiff
