let's go!

when i see you
i want to holler
you make me steamy
under the collar
you -- you know you're my
sweet hot chihuahua
if i can't have you
i'm gonna blow up
said blow up
i said blow up
hot chihuahua
yeah that's right
why don't you treat me to
your secret flavors
i can reciprocate with
some special favors
you're such a hazard but
you are my pleasure
don't get me balled up or
i'm gonna blow up

go get 'em!
i'm gonna get blowed up
