I gotta run away from Dr Surd.  
He's always on my tail.  
He's comin' so I better run  
'Cause he would know I never fail.

(CHORUS)  
Oh my hell.  
It's Dr Surd.  
He thinks he is a big man.  
Let me tell you something, Surd.  
Just catch me if you can.

Surd won't leave me all by myself.  
He gives me such a fright.  
If I was followin' that Surd,  
I'd do it like he did the other night.

(CHORUS)  
Oh my hell.  
It's Dr Surd.  
He thinks he is a big man.  
Let me tell you something, Surd.

Just catch me if you can.

We didn't meet until half past four.  
I couldn't stand it anymore.  
I did get it.  
I did understand.  
Who was the bitch  
Holding his assistant's hand?  
I gotta run away from Dr Surd.  
(Dr Surd.)  
He's always on my tail.  
He's comin' so I better run  
(Better run.)  
'Cause he would know I never fail.

(CHORUS)  
Oh my hell.  
It's Dr Surd.  
He thinks he is a big man.

Let me tell you something, Surd.  
Just catch me if you can.
