I'm a disco dancer
But I've got no place to go
(I'm a disco boy I'm a disco boy)
Im a disco dancer baby
But my feet wont touch the floor
(I'm a disco boy I'm a disco boy)
Oh no
I've been sleeping twenty years or more
I remember a long time ago
(I'm a disco boy I'm a disco boy)
Nya nya nya nya
I've been looking for a dance to do
I've been looking for some answers, too

Now I'm back to change your mind
Now I'm moving right in time
In a world that's turned unkind
I see what's going on behind my back
Im a disco dancer
I keep dancin' on and on
(I'm a disco boy I'm a disco boy)
Oh no
Im a disco dancer baby
But I think that something's wrong
