I get up every day  
It's a miracle, I'm told  
Somehow I live to work  
So I hit the road

Squeeze into my hybrid car  
Drive as fast as I can  
While I scan the rooftops  
Yeah, I scan the rooftops

Don't shoot  
I'm a man  
Don't shoot  
I'm a man

I live in every city  
All around the world  
Sometimes it's way too hot  
Sometimes it's friggin' cold

One thing's always the same  
No matter what they say  
There's way too many problems  
Way, way too many problems

Don't shoot  
I'm a man  
Don't shoot  
I'm a man

You wish you were swinging from the trees  
You wish you were slicing through the breeze  
You wish you were king or queen  
You wish you'd hit the lottery

But wishing is for chumps  
High hoping is for fools

They'll hunt you down  
And taze you, bro  
For playing with the rules

Don't shoot  
I'm a man  
Don't shoot  
I'm a man

I've got a big dilemma  
To punt or go for broke  
It's got me going sleepless  
I'm about to choke

So let me ask you something  
Answer if you can  
Think before you answer  
There is no correct answer

So don't Shoot  
I'm a man  
Don't Shoot  
I'm a man

Don't taze me, bro'  
Don't taze me, bro'  
Don't taze me, bro'  
Don't taze me, bro'
