

## Devo "Explosions"

Visit "[Explosions](#)" on MotoLyrics.com

We like explosions that leave you feeling good  
We like ideas that change the world for good

There's nothing past the stop and go  
There's nothing but the ebb and flow  
There's nothing like some in and out  
There's nothing more than what you know

Yes, oh yeah  
Yes, oh yeah

We like new places that jets can't take you to  
We do like music when it does what it should do

There's nothing past the stop and go  
There's nothing but the ebb and flow  
There's nothing like some in and out  
There's nothing more than what you know

Yes, oh yeah  
Yes, oh yeah

Yes  
(We like)  
Oh yeah  
(Explosions)  
Yes  
(We like)  
Oh yeah  
(Explosions)

We like explosions, it's only right we should  
We like ideas, we thought you understood  
We like new places until they're overrun  
We do like music, loud shots from the big spudgun

Yes, oh yeah  
Yes, oh yeah

Yes  
(We like)  
Oh yeah

(Explosions)  
Yes  
(We like)  
Oh yeah  
(Explosions)

Yes  
(We like)  
Oh yeah  
(Explosions)  
Yes  
(We like)  
Oh yeah  
(Explosions)
