I'm wound tight hot-wired about to explode  
I'm seein' red all hopped up and ready to go  
Well I'm hurtin' and I'm searchin' for a place where I  
can deliver  
I wanna scoot so fast that my head snaps back  
together

It's okay, not okay, it's okay, not okay, it's okay  
It's okay, not okay, it's okay, not okay, it's okay

Go monkey go, go monkey go, Mojo Jojo  
Go monkey go, go monkey go, Mojo Jojo  
Go monkey go, go monkey go, Mojo Jojo

Hey tell me, tell me, tell me where to go  
Tell me, tell me, tell me, who to see  
Tell me, tell me, tell me what to do  
To fix what's wrong with me

I'm wound tight hot-wired about to explode  
I'm seein' red all hopped up and ready to go  
It's okay, not okay, it's okay, not okay, it's okay  
It's okay, not okay, it's okay, not okay, it's okay

Go monkey go, go monkey go, Mojo Jojo  
Go monkey go, go monkey go, Mojo Jojo  
Go monkey go, go monkey go, Mojo Jojo  
Go monkey go, go monkey go, Mojo Jojo
