i don't know what it is
but im feelin' like this
but i just can't take my eyes off of you
and i don't know why
but my feelin inside
got me lovin' every little thing that u do

baby, it's the way that you talk
when you talk to me
oh how i wanna be there
could it be you and me

don't know what i can do
to make you see what i see in you
and everything you do
has got me hooked-
has got me hooked on you
oh yeah (has got me hooked on you..)

can't deny how i feel
coz this feeling's for real
when every thought im thinking
(is a-) about you
since the day that we met
can't get you outta my head
just wanna-
spend the-
rest of my life with you

baby it's the way that you walk
when you are next to me
i'll give u all that i got
if u were my baby

don't know what i can do (oh yeah)
to make you see what i see in you (what i see in you)
and everything you do (there is something about you)
has got me hooked,
has got me hooked -

there is no other

coz you're everything
that is so beautiful (beautiful)
(oh, baby) baby i can't get over
loving you coz i'm so
hooked on you

(my mind's just hooked on you)

don't know what i can do (what i can do)
to make you see what i see in you (what i see in you)
and everything you do (oh yeah)
has got me hooked
has got me hooked (has got me hooked)

don't know what i can do (what i can do)
to make you see what i see in you (what i see in you)
and everything that u do (everything that you do)
has got me hooked
has got me hooked on you (yeah, yeah, yeah)

don't know what i can do
to make you see what i see in you
and everything you do
has got me hooked
has got me hooked on you...
