Someone said that
No one knows what
Goes on inside
Someone in love

Strange as it seems
It makes them do things
In their right minds
Would never think of

People get away with things
They don't deserve
A jurisdiction of love

Enoughs not enough
When love gets rough
The jurisdiction of love

Off their walls
Just like Niagara Falls
Logical thought
Is no comfort
It only makes the
Matter seem worse

Might equals right
In connubial fight
The jurisdiction of love

Love equals war
I don't like it no more
The jurisdiction of love

Someone said that
No one knows what
Goes on inside
Someone in love

People get away with things
They don't deserve
A jurisdiction of love

When love turns the crank
It demands Carte Blanche
The jurisdiction of love

Might equals right
In connubial fight
The jurisdiction of love

Love equals war
I don't like it no more
The jurisdiction of love
