You got your left hand  
You got your right hand  
You got your left hand  
You got your right hand

While the left hand diddling  
While the right hand goes to work  
I said the left hand diddling now  
While the right hand go to work

You got both hands  
You got both hands  
You got praying hands  
You got praying hands

They pray for no man  
They pray for no man  
Okay relax, and assume the position  
Go into doggie submission

Wash your hands three times a day  
Always do what your mom and dad say  
Brush your teeth in the following way  
Wash your hands three times a day

You got your left hand  
You got your right hand  
You got your left hand  
You got your right hand

While the left hand diddling  
While the right hand goes to work  
I said the left hand diddling, oh  
While the right hand go to work

You got both hands  
You got both hands  
You got praying hands  
You got praying hands

They pray for no man  
They pray for no man

Roll over, play dead  
Get spiritual minded  
Okay relax, and assume the position  
Go into doggie submission

Wash your hands three times a day  
Always do what your mom and dad say  
Brush your teeth in the following way  
Wash your hands three times a day
