Well, it's a God given fact
That you can't go back
You can't go back

It's a God given law
That you're gonna lose your maw
Yes, you're gonna lose your maw

It's a God given fact
You gotta buy'em by the sack
Gotta buy'em by the sack

Well, it's a God given law
That you're gonna get small
Yes, you're gonna get small

May be just another rap
But you're runnin' out of sap
Yes, you're runnin' out of sap

Well, you better take the rap
Dyin' under daddy's cap
Dyin' under daddy's cap

Shrivel up

It's at the top of the list
That you can't get pissed
No, you can't get pissed

It's rule number one
Livin' right isn't fun
Livin' right isn't fun

'Cause it's a God given fact
That you can't go back
No, you can't go back

It's a God given law
That you gonna lose your mind
Yes, you gonna lose your mind

Time tested and true
You gotta pooty poo-poo
You gotta pooty poo-poo

Well, it's a God given law
That you're gonna get small
Yes, you're gonna get small

May be just another rap
But you're runnin' out of sap
Yes, you're runnin' out of sap

Well, you better take the rap
Dyin' under daddy's cap
Dyin' under daddy's cap

Now, oh, shrivel up
Shrivel up people
