Pretty mongo, everybody wants her toilet  
Same old story she don't let no one near it  
The way she teases them it's such a shame  
She's got all the huboons cryin' out her name

Soo-bawlz  
She's got 'em howling  
She's got 'em growling  
She's got 'em going clean outta their minds

Ain't a man in town who wouldn't have her for his  
daughter  
They'd all trade their brains for one taste of her toilet  
water

One, two, three, four  
Tell the people what she wore

They run in circles trying to call her up  
But her phone's been disconnected since she sold her  
butt
