What we do is what we do
What we do is what we do
What we do is what we do
What we do is what we do

What we do is what we do
It's all the same, there's nothing new
What we do is what we do
It's turning 'round on me and you

What we do is what we do
Just different names, it's nothing new
What we do is what we do
'Cause all we do is what we do

Gaming, praying, believing, maintaining
Texting, electing, rejecting, infecting

Eenie, meenie, meenie, meenie, minie, minie, mo
The lucky ones are gonna be the first to go
Eenie, meenie, meenie, meenie, minie, minie, mo
The lucky ones are gonna be the first to go

Eenie, meenie, meenie, meenie, minie, minie, mo
The lucky ones are gonna be the first to go
Eenie, meenie, meenie, meenie, minie, minie, mo
The lucky ones are gonna be the first to go

Don't do what I do
Just do what I say
My door does what I say
I say, "Open" And it does

My lights do what I say
I say, "On" And they snap on
My car does what I say
I say, "Start" And it jumps out

But my dog doesn't do what I say
My girl doesn't do what I say
My mind doesn't do what I say
I don't know what to do

What we do is what we do
It's all the same, there's nothing new
What we do is what we do
It's turning 'round on me and you

Stroking, hoping, dreaming, repeating

Feeding and breeding and pumping gas
Cheeseburger, cheeseburger, do it again
Feeding and breeding and pumping gas
Cheeseburger, cheeseburger, do it again

Feeding and breeding and pumping gas
Cheeseburger, cheeseburger, do it again
Feeding and breeding and pumping gas
Cheeseburger, cheeseburger, do it again

What we do is what we do
What we do is what we do
What we do is what we do
What we do is what we do
