It takes a worried man
to sing a worried song
I may be worried now
but I (he) won't be worried long

It takes a worried man
to sing a worried song
I may be worried now
but I (he) won't be worried long

Everyone's going to parties
they're all laughing, having fun
it takes a worried man
to sing a worried song
everything is fucked up
its all coming down
it takes a worried man
to sing a worried song

It takes a worried man
to sing a worried song
I may be worried now
but I (he) won't be worried long

It takes a worried man
to sing a worried song
I may be worried now
but I (he) won't be worried long
I see you there
we'll have a good time
well all right

(booji boy speaks)

It takes a worried man
to sing a worried song
I may be worried now
but I (he) won't be worried long

(Do you feel it comrades?)

It takes a worried man

to sing a worried song
I may be worried now
but I (he) won't be worried long

It takes a worried man
to sing a worried song
I may be worried now
but I (he) won't be worried long

It takes a worried man
to sing a worried song
I may be worried now
but I (he) won't be worried long

I see you there
we'll have a good time
well all right
