Headin' home, but not for long
Another day, another song
I'm a travelin' man, and I'm travelin' on
Good times come and good times go
On the road I never know
Just where I am or where I'll be
As the cars pass by, I'll think of you
When I see the signs I know,
This is Georgia, this is home

Chorus:

141 is a million miles away,
Somewhere down the line, I'll be comin' back to stay
141, my bags are packed again
No matter what I do
I wind up leavin' in the end

Evergreens are rollin' by,
Out my window, clear blue sky,
I'm passin' through and I'm travelin' on
Smell my kitchen, feel my bed
I know it's only in my head
It's the road I chose, and it's been a suite
Everywhere I go, I think of you
As the time passes by, I can see you in my mind

Chorus:

141 is a million miles away,
Somewhere down the line, I'll be comin' back to stay
141, my bags are packed again
No matter what I do
I wind up leavin' in the end

All I know(x3)

Chorus:

141 is a million miles away,
Somewhere down the line, I'll be comin' back to stay
141, my bags are packed again
No matter what I do
I wind up leavin' in the end
