One, two, and a one, two, three, four

Lonely girl  
Stuck in California  
Staring out your window  
Wishing you were home in Georgia  
Lonely girl  
Don't know why you're waitin'  
The fire's left your eyes and  
I can see your smile fadin'  
Here we go  
Summer's comin' soon  
To take you home  
To take you home

I can see it comin'  
Soon you will be standin'  
On your own  
On you own  
I can see you laughin'  
I can see you dancin'  
You're not alone  
You're not alone  
You're not alone

Lonely girl  
Lost in Beachwood Canyon  
The sun shines everyday and  
I know you miss when it was rainin'  
Lonely girl  
Just like a southern flower  
Wilting, counting weekends  
Waiting for your April showers  
Here we go  
Summer's comin' soon  
To take you home  
To take you home

I can see it comin'  
Soon you will be standin'  
On your own  
On your own

I can see you laughin'  
I can see you dancin'  
You're not alone  
You're not alone  
Ah

I love you girl  
When you're gone to Santa Barbara  
We'll be missin' you and I won't be the same without  
you  
I love you girl  
So much you can't believe  
I wrote this song to tell you  
Just how much you mean to me  
Here we go  
Summer's comin' soon  
To take you home  
To take you home

I can see it comin'  
Soon you will be standin'  
On your own  
On your own  
I can see you laughin'  
I can see you dancin'  
You're not alone  
You're not alone  
You're not alone  
You're not alone
