I play it nice  
Try to run and hide  
Was afraid of what they'll think

Looking back in me  
Who do I see?  
I fell so incomplete  
I am not afraid

I'm standing tall  
I will not fall  
Moving mountains  
Making changes  
That I do believe

I'm standing tall  
I will not fall  
This guys are leaving me  
Here with me  
I Believe in me

I sacrifice  
I pay the price  
Try to be the real me

Just can't be twice  
If you wanna change your life  
Your dreams you'll set you free  
Don't be afraid

I'm standing tall  
I will not fall  
Moving mountains  
Making changes  
That I do believe

I'm standing tall  
I will not fall  
This guys are leaving me  
Here with me  
I Believe in me
