I see you everyday
And pretend to look away
I don't know what I'd do
If I had to talk to you
I'm not the shattered dream
Of what might never be

But in reality
It feels like you'd be easier
To save
The world

If I could fly
I'd come and rescue you
You know that's what I'd do
Give me a sign
And I would set you free
And maybe I would be
Be your superhero
Your hero
Your hero

So many reasons why
I shouldn't even try
To reach out to you
I don't know what you do
The kinds of things you'd say
So I just run away
'Cause in reality
It feels like you'd be easier

To save
The world

If I could fly
I'd come and rescue you
You know that's what I'd do
Give me a sign
And I would set you free
And maybe I would be
Be your superhero
Your hero

Your hero

Maybe I could save the world
I'm starting to believe
'Cause I would do anything
For you
For you

If I could fly
I'd come and rescue you
You know that's what I'd do
Give me a sign
And I would set you free
And maybe I would be
Be your superhero
Your hero
Your hero
Be your superhero
Your hero
Your hero
Be your superhero
Your hero
Your hero
