Everytime you run away,
There is nothing left to say,
Except to say I got you're lying,
You drop when more excuse,
It's just to fake a true,
I swear to God when you're fighting.

[Refrão:]

Take it all away in saturday,
Now everything's all right,
Take me away, from yesterday,
And why you're sad last night?

Every week day it's the same,
I'm the one you always blame,
I'm getting sick and tired of trying,
Pretty sue now walk away,
Cause I know you'll never change,
You're running happy when you crying.

[Refrão:]

Take it all away in satuday,
Now everything's all right,
Take me away, from yesterday,
And why're you sad last night?

You just never get what it is a man,
Only here in red,
You never comprehend,
If that you see is the end,
But I swear it's true.

[Refrão:]

Take it all away, in saturday,

Now everythings all right,
Take me away, from yesterday,
And why you sad last night?

Take it all away, take it all away,
Take it all away, take me away...
