Can I sleep in your arms tonight sister  
Can I lay down with you here tonight  
I would shield you from the morning sun  
We'll stroll arm and arm in the kingdom come  
Can I sleep in your arms tonight  
You know I ain't never going back to Commerce City  
Who knows how many times they've taken my last  
twenty dollar bill  
There ain't no love lost there ain't no more time to kill  
All my brothers they're up on Jersey landfill  
And I ain't never going back to that town  
Can I sleep in your arms tonight sister  
Can I lay down with you here tonight  
Cuz hearing your voice can remind me of better days  
This is the voice that can carry me away  
Let me sleep in your arms tonight  
Darling wasn't it true what we learned  
As the whiskey finally eats your heart  
And where was that place I was born tonight  
It's the one that leads straight to your heart  
Can I sleep in your arms tonight sister

Can I lay down with you here tonight

Let me sleep in your arms tonight

Can I sleep in your arms tonight sister
