There's this place that I know
Where they take everything slow
You're the one I would take with me
It's the perfect place to be
With a girl like you
If you wanted to
We could leave right now
It's the perfect time
It's the perfect place
We should get away
Come on let's go

Did you mean what you said?
Cause it sounded so true
Is it real really dead?
Cause it looks so damn good
Read you loud and clear
I know I'm all done here
Let's go
