Never to be happy seems the way it's meant to be  
Violence all around me- Now violence part of me  
Chosen few get to have it all  
While the rest of us always take the fall

We get shit for our dreams  
Shit for our love  
Shit for our jobs and  
Shit for who we are  
Shit for our dreams  
Shit for our love  
Shit for our future and  
Shit for who we are

There's nothing here left, why can't you see  
Everything I've had you've taken from me  
Hope for a future, future for what  
An upper class job- raping the buck

We get shit for our dreams  
Shit for our love  
Shit for our jobs and  
Shit for who we are  
Shit for our dreams  
Shit for our love

Shit for our family and  
Shit for who we are

I don't what's right for me  
I don't what I'm supposed to be  
All I know is for those I care for best  
Take what you can, never settle for less  
I'll be okay, I've done it all before  
Just another breather to be going back for more

We get shit for our dreams  
Shit for our love  
Shit for our jobs and  
Shit for who we are  
Shit for our dreams  
Shit for our love

Shit for our family and  
Shit for who we are  
SHIT FOR DREAMS
