Remember when we never needed each other  
The best of friends like sister and brother  
We understood we'd never be alone  
Those days are gone now i want you so much  
The night is long and i need your touch  
Don't know what to say  
Never meant to feel this way  
Don't wanna be alone tonight

(Chorus)

What can I do to make you mine  
Falling so hard so fast this time  
What did i say what did you do  
How did i fall in love with you

I hear your voice and i start to tremble  
Brings back the child that I resemble  
I cannot pretend that we can still be friends  
Don't wanna be alone tonight

(Repeat Chorus)

Oh I wanna say this right  
And it has to be tonight  
I just need you to know  
I don't want to live this life  
I don't wanna say goodbye  
With you i wanna spend  
The rest of my life

(Repeat Chorus)

What can I do to make you mine  
Falling so hard so fast this time

Everything's changed  
We never knew  
How did i fall in love with you
