Saying I love you, is not the words I want to hear from
you

Its not that I don't want you
Not to say but if you only knew
How easy, it would be to show me how you feel
More than words, is all you have to do
To make it real
Then you wouldn't have to say
That you loved me
Cause I'd already know

What would you do
If my heart was torn in two
More than words to show you feel
That your love for me is real

What would you say
If I took those words away
Then you couldn't make things new
Just by saying I love you

Now that I try to
Talk to you and make you understand
All you have to do
Is close your eyes and just reach out your hand

And touch me
Hold me close don't ever let me go
More than words
Is all I ever needed you to show
Then you wouldn't have to say
That you love me
Cause I'd already know

What would you do
If my heart was torn in two
More than words to show you feel
That your love for me is real

What would you say
If I took those words away
Then you couldn't make things new

Just by saying I love you

More than words

More than words

More than words
