Are you feeling good?
Are you waitin' for something you one?
If you feel so blue
No need to saty just free yourself
Tonight!

Can you hear the groove?
Can you shout it out until the end?
If you show me truth
No doubt to say I lose myself

I'm goin' round and round and round and round and
round
Dancin' through the heat
Goin' down and down and down
Divin' to the beat

My desire, burnin' like a fire
No more, Liar, all that you inspire
My desire, hangin' on the wire
Let me say yeah! I take you to higher ground

Are you in the mood?

Are you comin' closer and closer?
If you see me too
Why don't you disclose what's inside

I'm goin' round and round and round and round and
round
Dancin' through the heat
Goin' down and down and down
Divin' to the beat

My desire, burnin' like a fire
No more, Liar, all that you inspire
My desire, hangin' on the wire
Let me say yeah! I take you to higher ground

My desire, burnin' like a fire
No more, Liar, all that you inspire
My desire

Take you higher

My desire

Take you higher

My desire

I'm on fire

Burnin'!
