Kamishimete ita kuchibiru kara  
Hakidasu tameiki wa himei no you de  
You were my sweet, you were my only  
And you were my everything  
You never trick me, you never leave me  
But you run away

Tell me why I lost my mind  
Tell me why I keep closing my eyes  
Tell me why I missed to find  
Another me inside  
Kokoro koe wo karashite  
Zaratsuku itami wo mune no oku he nejikonda

Nothing can steal my soul away  
Nothing stands in my way  
You'll never know I'm still thinkin' about you  
Why don't you turn to me again  
Why don't you heal me then  
You'll never know I'm still livin' behind you  
I'm coming down to you

Lyrics

Iki wo koroshite abakareta  
Namida no shizuku wo hiroi atsumete  
Wanna hold you, wanna kiss you  
Wanna love your anything  
Don't ever hurt me, don't ever leave me  
When you're far away

Tell me why you lost your mind  
Tell me why you keep closing your eyes  
Tell me why you missed to find  
Another face inside  
Akenai yoru no kata ni  
Haritsuku kioku ga ai wo nando sakende mo

Nothing can steal my soul away  
Nothing keeps me away  
You'll never know I'm still thinkin' about you  
No one can take my breath away  
No one can lead my way  
You'll never know I'm still livin' beside you

I'm still in love with you

Nothing can steal my soul away  
Nothing stands in my way  
You'll never know I'm still thinkin' about you  
Why don't you turn to me again  
Why don't you heal me then  
You'll never know I'm still livin' behind you

Nothing can steal my soul away  
No one can take my breath away  
I'm coming down to you
