The night sky full of cries
Hearts filled with lies
The contract- is it worth the price?
A soul pledged to the darkness
Now I've lost it
I know I can kill
The truth exists beyond the gates

Fusagareta mabuta kara nagaredashita namida
Kurikaeshi mushibamareru risei to chi no kakera

I don't want anything anymore
(Abakidasu kanjou ga around Turn round)
I don't feel the way as before
(Gang Bang Son of a gun)

Karameta futatsu no mune no sukima de
Hoshigaru dake no kawaita kono karada ga

Kegareta yubisaki de yoru o sosogikonde
Chigireru made kimi o kojiakete
Asai nemuri no naka hagareta omoi ga kishimu
Nani mo kamo ima wa subete keshisaretara

Sun will rise Close your eyes
Downfallen (Fallen) Falling
Hold inside
Just HOWLING in the shadows

Taemanaku furishikiru ame ni utarenagara
Shigamitsuku sono senaka ni fukaku tsume o tateta

I don't need anything anymore
(No one else can take my place)
I don't see the way as before
(I've been lost without a trace)

Dareka no fureta yume no tsuzuki o
Saegiru you ni tozashite ita kokoro ga

Kegareta yubisaki de nando mo dakiatte
Atedonaku kimi o taguriyosete

Awai kioku ga mada nokoshita itami ni nijimu
Te ni ireta mono ga subete ayamachi de mo

Ushinaiu tabi ni mezamete yuku chikara de

Kegareta kono tsubasa ga yoru o sosogikonde
Chigireru made kimi o kojiakete
Asai nemuri no naka hagareta omoi ga kishimu
Nani mo kamo ima wa subete keshisaretara

Sun will rise Close your eyes
Downfallen (Fallen) Falling
Give me sight to see inside
I'm calling
Take a bite night by night
Downfallen (Fallen) Falling
Hold inside
Just HOWLING in the shadows
