[Chorus]

Oh no! Oh, oh oh oh no!

Ain't nothin holdin me back now, holding me back now!

Oh no! Oh, oh oh oh no!

Ain't nothin holdin me back now, holding me back now!

Oh no muthafucka, suck up that lip!

Beause I'm back in this bitch and I'm ready to trip!

So I hope u never doubted me, cause here I am

Packed in ya eardrum, like a can of Spam

And I wouldn't give a damn if u hated me now

Because my family hears me out and bumps this shit
out loud

You can call us psycho, crazy, insane, with no one to
blame

So we just sit in the rain

Waitin for the right day to get what we deserve

Like respect from the cops on the curb at the concert

Nice titties, my oh my, but when that tear gas fire

You better close your eyes

Every time a new adventure, punch a horse in the face

Smoke a blunt blunt in the forest while you piss in the
lake

Situations fucked up, fun and foul

But it's a whole new year so try and stop me now

[Chorus]

Oh no! Oh, oh oh oh no!

Ain't nothin holdin me back now, holding me back now!

Oh no! Oh, oh oh oh no!

Ain't nothin holdin me back now, holding me back now!

Do you believe in what you do?

Don't stop, don't let no one hold you

Back from what you really wanna do

Besides in this life all you got is you

Keep your mind clear (Keep your mind clear)

Don't let go...go...go... So emotional

Believe me...I know!!

[Chorus]

Oh no! Oh, oh oh oh no!
Ain't nothin holdin me back now, holding me back now!
Oh no! Oh, oh oh oh no!
Ain't nothin holdin me back now, holding me back now!

You can't hold me back, because I'm comin' full throttle
Hand on my hatchet, who wanna see a head bobble?
I see my streets, like it's a native warfield
And I'm the only red-skin left, standing with no shield
So I started to chop cause I can't stop
Its looking too peaceful up there on the top
So I'm, doing everything that I must
Even if I gotta bust on the ones I can't trust
Ain't nothing hold me back!
Ain't nothing stopping me from takin what's mine!
(You Can't Stop Me! You Can't Stop Me! You Can't Stop
Me!)

Ain't nothing hold me back!
Ain't nothing stopping me from takin what's mine!
(You Can't Stop Me! You Can't Stop Me! You Can't Stop
Me!)

[Chorus repeats until end]

Oh no! Oh, oh oh oh no!
Ain't nothin holdin me back now, holding me back now!
Oh no! Oh, oh oh oh no!
Ain't nothin holdin me back now, holding me back now!
