Unceremonial descent  
After all these years of blood, sweat and tears  
In a permanent dispute  
Just to settle and keep the flame alight

Never to regret one second

A blinding of senses  
Comfort compelled as punishment  
It's a moment of bliss  
As we cease to be

Inner peace with termination  
The skin has she'd  
Leave the rotten core inside  
Arise from decay

Unceremonial descent  
After all these years of blood, sweat and tears  
In a permanent dispute  
Just to settle and keep the flame alight

Never to regret one second  
Still alive and gaining on strength

Inner peace with termination  
The skin has she'd  
Leave the rotten core inside  
Arise from decay  
Forwards into destiny  
Arise from decay

Sworn to stay and set to craft in continuation  
As the battle carries on, the anger grows

Set to arise from decay  
Set to arise from decay  
Set to arise from decay  
Set to arise from decay

A blinding of senses

Comfort compelled as punishment  
It's a moment of bliss  
As we cease to be

Inner peace with termination  
The skin has she'd  
Leave the rotten core inside  
Arise from decay  
Leave the rotten core inside  
Arise from decay
