Here I come
They call me
A beast like none before
I suck the abscess of dead infants
I want some more
I am Baby Killer
I kill pregnant sluts and whores!
Splaying inside the womb
Red and wet I tear chunks from the pussy Red and wet
mangled unborn baby
Eat the meat dripping from filthy...
Cumstained, blood-soaked, rotten cunt Infant skull
exploding in my mouth
It's brain on the floor
I grab it's tongue and tear it out
Dead meat for me. I can't believe
How much this baby is bleeding
It's tiny stumps pours out more
Than it's dead mothers open sores
It's guts paint the floor
It's flesh I shall gorge.
It seems feasting on young infant flesh has made my
semen leak.
I am aroused. Fuck I'm crazy
I fuck the blood. I need meat on my cock.
No meat can satisfy me. I must spew my seed
Spunk flows throughout the mangled infant. now I'll
chop it up
Chunks of guts fly as I stand with baby skin all over me
Forcing the blood-soaked gore unmercifully down my
throat
Pieces of baby are lodged inside of me
Over and over I feast on it's death
It's all gone. I want some more
I turn to it's mother
Blood is still flowing strongly from her butchered pussy
I drink from her fountain, stench of menstrual gore
Gagging on chunks of sliced up pussy
I feel pressure...
Pushing in my brain
The force caves in my head

My eyes eject slowly
Where's my knife?
I plunge my knife in
Inside my head
My veins are seeping
Warm streams of red
My tongue tastes so horrid
I must swallow it
Gore taste so scrumptious
Enough to wash it down with piss.
