Claiming my next victim for a filthy feast
Nauseating hunger for human feces
These lesion ridden cunts mean nothing to me
But their bowels possess the key to my nourishment
Unhealthy hunger escalating from the stench fortified
fudge packed full of nutrients
Sexually abusing nursing home patients
As they shit themselves I gorge on the caustic mess
Violently consuming shit,
Pulverizing my fist in your fucking' face
Postmortally I feast on the wastes of the fucking'
elderly
Crusty fucking' filthy beings, consuming their
contaminants
Undying love for the blackened fluids of stiff
Boiling blood and brains of my victims... bleed
Necropromaniac, pestilential being
The sight of feces rockets me into a fucking' frenzy
Hemorrhoidal veins rupture slick secretions
Upon my tongue, sanguinary anilingus
Sucking on their cunts till they burst
How I love it when they bleed on me
Fist fucking diseased anal cavities
Plunging blades into their skin till they've died
Skin desclimates and slips right the fuck off of your
bones
Feeling no regard for the lives of these handicapped
fucks
These hundred year old pigs produce my reward,
Their bodily wastes
Killing is what keeps me sane
So I think I'll just rip your fucking head clean off
Coprophagia
I kill motherfuckers everyday
Let these hordes of dead fucks unite
To mutilate the human species, I take pride in killing
Nothing will ever stop me from fucking murdering
Upheaving these human stockpiles of brown sediment
Extremely aroused by the sight of fucking pain
Masturbating feverishly to the rhythm of their prayers
Coming on their infected bed sores
Rectally bleeding, I sodomize the elderly

Spewing rapidly, A bed pan bon-appetit
Despoiling, despoilment
Raping these elderly pieces of shit
While slobbering sewage how sweet it is
Toothless and sick swallowing cum
My blistering pecker seeps
Plunging my vile uncircumcised dick
Enter the Alzheimer's wound
Now my dick's wrapped with disease
What the fuck? My cock now bleeds
Hemorrhaging, blood drips on my feet
Sticking to your encrusted sheets
Wallowing in pools of steaming shit
Inhaling the stench of filthiness
Bleed for me
Terrorizing me the elderly have turned against me
Slowly they creep to me like filthy zombies
Old bitches sliding sewing needles in my dick
Scraping at my bowels
Smearing shit on their dirty clits
Chewing on my filthy meat within
Lacerating every inch of my flesh
Bleeding slow, my body bloats
Pulverizing their fists in my fucking' face
