[Lyrics By: Mike Majewski, Brad Fincher, & Wayne Knupp]

Scum fucking bitch, cum guzzling whore
eating the dick like a revolving door
you suck on my cock but don't swallow shit
your nothing but a worthless ass bitch

So you've been raped, beaten and stabbed
Body contorts, rip you in half
I defecate on your blood splattered mass
Defiling the corpse, suffer in death

Evisceration - rape the bloody whore
Ripped up body - now I crave for more
Endless suffering - I will rape you in the ass

Skin forsaken, bruised and naked
My hands are shaking, I will kill again

Stalking the dark shroud of night
to claim a victim for my crypt
severed heads decorate the lair
which I'm on with sin
Grinding chunks of flesh into

a red and meaty paste
Feasting on these bitches pieces
soothes my minds decay

Come unto me objects of mindlessness,
torture's too good for you
Come unto me objects of mindlessness,
torture's too good for you
Come unto me objects of mindlessness,
torture's too good for you

Read into my ghastly deeds
and encounter sickness
slaughter of disease filled whores
Filth this world don't need.
