Intercede, interfere!
Final attempt to re-conciliate but all to no avail
Profane last rites
Human sacrifices to cover lies and to propagate
insanity

Defenselessly, helpless, acting powerless
The conflict's ending and defeat is staring them in the
face
Critical mass, detonate!

Infiltrate, instigate!
Upon completion of the fall
They'll rise above the ashes of destruction
They shine like stars
A gleam of silver
Overcast the impending apocalypse

The crack of doom won't heal these chronic wounds
The day of judgement has arrived in the end

Acid rain utopia
Come enhance mortality
Radioactivity, praising the fire
Balance reaction
A critical mass
Eradication of all life
Set death free
Critical mass
End of days
Critical...

Intercede, interfere!
Final attempt to re-conciliate but all to no avail
Profane last rites
Human sacrifices to cover lies and to propagate...

Infiltrate, instigate!
Upon completion of the fall
They'll rise above the ashes of destruction
They shine like stars
A gleam of silver

Overcast the impending apocalypse

Retaliate!

Critical mass detonate!

Set death free

Critical mass

End of days

Critical...

Critical mass!
