[Music by Bache, Mueller, Werning ? Lyrics by Jensen]

Be my guest, become a witness, this prosecution is
now about to begin.

In conclusive assimilation, you'll comprehend the
chaos within.

Raise me into?

Fail to save my sanity, out of perception,
Clear signs of a soul disturbed by definition.
Revelations of utopia? I've crossed all lines of
rationality.

I raise distress in search of true stability,
The need, the urge to soon escape from the delusion.

Awake, alive ? still meant to choke in fantasies,
The will, the thrill, safe in hiding? now or never!

There's something in between? now or never!

I'll vent the anger when the time is right?

Darkest deeds in order to attain deliverance,

A narrow path unclosing realms of self-rejection.

Sacrificial deceit? I came, I saw but conquered nothing
at all, Nothing at all!

As conformity neglects affliction, a twisted sanity is all
that remains.

[Lead : Bache]

Now! I'll vent my anger!

Now! The time is right!

[Lead : Mueller]

Darkest deeds in order to attain deliverance,
A narrow path unclosing realms of self-rejection,
Sacrificial deceit? I came, I saw but conquered nothing
at all.

There's something in between? Now or never!

I'll vent the anger when the time is right?

NOW! I'll vent my anger! Now! The time is right!

Be my guest, become a witness, this prosecution's
now about to begin.

In conclusive assimilation, you'll comprehend the

chaos within.
NOW! I'll vent my anger! NOW! The time is right!
As conformity neglects affliction, a twisted sanity is all
that remains,
There's something in between? Now or never!
I'll vent my anger when the time is right!
