[Music by Mueller, Werning ? Lyrics by Jensen]

Amoral gift of no eternity, in the midst of life we are all
in death,
We await the end impatiently, but the spirit won't
encounter rest,
I'll rise above, I will show no fear, say your prayers to
feed my revenge,
As you suffer, I'll attain my vengeance, your remorse
only fuels the fury aflame,
Mark my all-unblessed words, you will retain the scars,
For all times you're meant to retain the scars.
I'll strike back, I will teach you pain. Prepare to
experience the ultimate rage.
As you face the punishment, I am complete. I'll return
to be anew.
Share the ever-lasting horrors, as you retain the scars,
Wounded for lifetimes, you shall retain the scars? the
scars!
The guilt you carry deep in your skin was always yours,
and forever it shall be.
In my eyes you'll see no sympathy, you'll retain the
scars,
In my hands you'll find no rescue, you'll retain the
scars.

Mark my all-unblessed words, you will retain the scars,
For all times you're meant to retain the scars,
I'll rise above, I will show no fear. Say your prayers to
feed my revenge.
As you suffer I'll attain my vengeance, your remorse
only fuels the fury aflame?
Aflame! The guilt you carry deep in your skin was
always yours and forever it shall be.
Share the everlasting horrors, as you retain the scars.
Wounded for lifetimes you shall retain the scars,
Amoral gift of no eternity, in the midst of life we are all
in death,
We await the end impatiently, but the spirit won't
