Behold the emptiness divine
Shapeless eyes of blind, cold as ice
The weakness of the flesh shines through
In final premonition

Soul poison
Numbing, numbing, numbing out
Soul poison
Numbing out

Shadows of existence
Salvation of the spirit nevermore
Portraits of dilution
Betrayal of the body falls in place

Absent-minded
Hear my inner cries

Hiding from the demons of the self
Fragments to display, dread within
The affliction of the wish in prime
In perfect isolation
I do resign

Soul poison
Numbing, numbing, numbing out
Soul poison

I resign
Soul poison
I resign
Soul poison

I resign
Soul poison
I resign
Soul poison

Shadows of existence
Salvation of the spirit nevermore
Portraits of dilution
Betrayal of the body falls in place

Behold the emptiness divine
Shapeless eyes of blind, cold as ice
The weakness of the flesh shines through
In final premonition
