Long legs step out of the car
Walk across the floor to the bar
I turn my head didn't want her to see
The way her walk was affectin' me
Bartender says you better think twice
She's not the kinda girl your mama would like Don't
waste your time just walk on by
She'll just walk away
And leave you high and dry

(Chorus)

'Cause she's gotta way of walkin'
That can make a grown man cry
She's got a way of talkin'
That can make u believe her lies
She could get away with murder
She took my heart and didn't leave a trace She's gotta
a way of walkin', walkin' away

Young boy barely 24
I'd never been in love before
She took the leadin' right from the start Then lead me
up to the leavin' part
Now she's gone but I'm alright
I wonder where she's walkin' tonight
She's always ther in the back of my mind
I'd love to see her walk in here tonight

(Chorus)

'Cause she's gotta way of walkin'
That can make a grown man cry
She's got a way of talkin'
That can make u believe her lies
She could get away with murder
She took my heart and didn't leave a trace She's gotta
a way of walkin', walkin' away

Oh ya she could get away with murder
She took my heart didn't leave a trace
She's gotta a way of walkin, walkin away
Oh ya she's got a way of walkin walkin away
