I couldn't seem to fall asleep  
There was so much on my mind  
Searching for that peace  
But the peace I could not find  
So then I kneaed down to pray  
Praying help me please  
Then He said you don't have to cry  
Cause I'll supply all your needs

As soon as I stop worrying (soon as I stopped  
worrying)  
Worrying how the story ends (When I let go)  
I let go (And I let) and I let God (let Him have)  
(Let Him Have) Let God have His way  
(That's when things) That's when things start  
happening  
I'll stop looking at back then

I let go and I'll let God have His way

There so much going on  
Sometimes I can't find my way  
And often times I struggle  
Struggle from day to day  
I have to realize that it's not my battle  
It's not my battle to fight  
I have to know if I to put it in His hands  
That everything will be alright

(Back to Chorus)

Let go  
Let God x5  
My brother let go  
And let God  
My sister you can't handle it  
Let God  
Oh let go  
And let God [x3]  
Let go  
Let God [x6]
