Oh oh oh oh oh oh oh oh oh oh oh
Living living on the top with jesus
Blessed in the heavenlies with him
Walking walking in the ram of favor and miracles
And recieving the abundance of his grace
Oh oh oh oh oh oh oh oh oh oh oh
[X2]
Whatever you bind on earth it will be in heaven
What'soever you loose in heaven it will be loosed in
heaven
He has given us power to become joined in with christ
And the devil can't do us any harm
The devil is defeated, god is exalted [x6]
God is exalted [x9]
Jesus christ is lord of all
