Oh, my darlin'
Oh, my darlin'
Yeah, yeah, yeah

I have a perfect life
You are the perfect wife
I don't know why
I sit and cry

And now I miss you so
Please don't let me go
I'll make mistakes and that is true
At least I learn each time I do

Darling, you must believe
I could never leave you if I tried
A life without you is no life at all

Oh, my darlin'
Oh, my darlin'
Yeah, yeah, yeah

Tears fall in vain
I'm standing in the rain
No matter how I feel
I never seem to know what's real

So sharpen up your knives
Stab me in the eyes
I want to cry rivers of blood
I want to drown myself in your love

Darling, you must believe
I could never leave you if I tried
A life without you is no life at all
