I don't give a damn what anyone thinks.
I stay up all night and I smoke and I drink
I'm a wanted man and I'm blowin town
Don't waste your time tryin' to hunt me down
The cops are sayin I belong behind bars
And I'm Guilty
I'm Guilty as Charged

I ain't ever lost a fight in my life
I'll send you home crying to your fat and ugly wife
If you don't believe me when I tell you this
Well let me introduce you to my rock hard fist
If you're accusing me of living too hard
Then I'm Guilty
I'm Guilty as Charged

I ain't asking God to forgive my sins
Take a Good Look and you'll know where I've been
I'm dancing with the devil every night and everyday
People pay attention to the things that I say

I don't need anybody's help to rise above it
If you don't like the way I'm livin
Buddy why don't you shove it?
When you feel the ground shaking underneath your
feet
Then that's yours truly walkin down the street
Come a little closer, girl, I'll show you my scars
Cause I'm Guilty
I'm Guilty as Charged
If you're saying that my lovin's too large
Then I'm Guilty
I'm Guilty as Charged

Oh I'm Guilty
I'm Guilty as Charged
You Got Me
I'm Guilty as Charged
