Goodbye love, goodbye love  
Didn't know what time it was the lights were low  
I leaned back on my radio  
Some cat was layin' down some rock 'n' roll lotta soul,  
he said

Then the loud sound did seem to fade  
Came back like a slow voice on a wave of phase  
That weren't no DJ that was hazy cosmic jive

There's a starman waiting in the sky  
He'd like to come and meet us  
But he thinks he'd blow our minds

Theres a starman waiting in the sky  
He's told us not to blow it  
'Cause he knows it's all worthwhile  
He told me, "Let the children lose it  
Let the children use it, let all the children  
boogie"

I had to phone someone so I picked up on you  
Hey, that's far out so you heard him too  
Switch on the TV, we may pick him up on channel two

Look out your window I can see his light  
If we can sparkle he may land tonight  
Don't tell your poppa or he'll get us locked up in fright

There's a starman waiting in the sky  
He'd like to come and meet us  
But he thinks he'd blow our minds

Theres a starman waiting in the sky  
He's told us not to blow it  
'Cause he knows it's all worthwhile  
He told me, "Let the children lose it  
Let the children use it, let all the children  
boogie"

Starman, he's waiting in the sky  
Starman, someday he'll blow our minds

Starman, won't you come on down and see me some  
time?  
Say, starman someday come down and fly  
Starman  
Thank you
