Take
(Take, take)
Take my hand
(Take my hand)
We're gonna walk through the park
I promise to have you home before dark
(Home before dark)

Oh, life would be so sweet
Walking with you down the street
Oh baby, come on and take my hand
(Come on and take my hand)

Don't you know I like you
You're pretty and nice
Walking with you would be paradise
Sharing the moment, me and you
Walking down the avenue
So please
(Please, please)
Take my hand
(Take my hand)
You know I know you can
So please, take my hand

It's all right if you're coy
After all I'm a boy
And you're a girl but make no mistake
Yours is the hand I want to take

So please
(Please, please)
Take my hand
(Take my hand)
You know I know you can
So please, take my hand
(Come on and take my hand)

Come and walk with me
And please take my hand
(Come on and take my hand)
